- 1.1. Our quotation, unless otherwise stated, does not include customs duties and inspections or any other fees or taxes payable to government bodies. It does include us accepting liability for your goods, subject to clauses 2.2, 3.2, 5.2, 5.3 and the provisions of Clauses 4, 9, 10, 11 and 12.
- 1.2. We may change the price or make additional charges if circumstances are found to apply which have not been taken into account when preparing our quotation and confirmed by us in writing. These include:
 - 1.2.1. The work is not carried out or completed within three months.
 - 1.2.2. Our costs change because of currency fluctuations or changes in taxation, or freight charges beyond our control.
 - 1.2.3. If you collect some or all of the goods from our storage, we reserve the right to charge if we have to help with this.

 - 3.1.1. Declare to us, in writing, the estimated value of the goods being removed and/or stored. If it is subsequently established that the value of the goods removed or stored is greater than the actual value you declare, you agree that our liability under clause 9.1 will be reduced to reflect the proportion that your declared value bears to their actual value.

 - 3.1.3. Be present either personally, or through an authorised representative, during the collection and delivery of the removal.

 - 3.1.5. Arrange proper protection for goods left in unoccupied or unattended premises, or where other people such as (but not limited to) tenants or workmen are, or will be present.

4 Our Responsibility

- 4.1. It is our responsibility to deliver your goods to you, or produce them for your collection, undamaged. By “undamaged” we mean in the same condition as they were in at the time when they were packed or otherwise made ready for transportation and/ or storage.
- 4.2. In the event that we have undertaken to pack the goods, or otherwise make them ready for transportation and/or storage, it is our responsibility to deliver them to you, or produce them for your collection, undamaged.

- 4.5. If you do not provide us with a declaration of value of your goods, or if you do not require us to accept standard liability pursuant to clause 9.1 we will not be liable to you for failure to discharge the responsibilities identified in clause 4.1 and 4.2, unless that failure was caused by negligence or breach of contract on our part.
- 4.6. The amount of our liability under this clause shall be determined in accordance with clauses 9 and 11.

You will furthermore pay to us any charges, expenses, damages, legal costs or penalties incurred by us.

6 Ownership of The Goods

- 6.1. By entering into this Agreement, you guarantee that:

9 Determination of Amount of our Liability for Loss or Damage

- 9.1. Standard Liability
 - 9.1.1. If you provide us with a declaration of the value of your goods, and subject to clause 3.1.1, the amount of our liability to you in the event of loss or damage to those goods in breach of clause 4 will be determined in accordance with Clauses 9.1.2, 9.1.3 and 11 below, subject to a maximum liability of £20,000. We may agree to accept liability for a higher amount, in which case we may make an additional charge.
 - 9.1.2. In the event of loss of or damage to your goods in breach of clause 4, our liability to you is to be assessed as a sum equivalent to the cost of their repair or replacement whichever is the smaller sum, taking into account the age and condition of the goods immediately prior to their loss or damage, and subject to the maximum liability of £20,000 referred to in clause 9.1.1 (unless we have agreed a higher amount with you).
 - 9.1.3. Where the lost or damaged item is part of a pair or set, our liability to you, where it is assessed as the cost of replacement of that item, is to be assessed as a sum equivalent to the cost of that item in isolation, not the cost of that item as part of a pair or set.
- 9.2. Limited Liability
 - 9.2.1. If you do not provide us with a declaration of value, or if you do not require us to accept Standard Liability pursuant to clause 9.1, then our liability to you is to be determined in accordance with Clauses 9.1.3, 9.2.2 and 11.
 - 9.2.2. In the event of loss of or damage to your goods caused by negligence or breach of contract on our part, our liability to you is to be assessed as a sum equivalent to the cost of their repair or replacement, taking into account their age and condition immediately prior to their loss or damage, subject to a maximum liability of £40 per item. Your attention is drawn to clause 11.1 which applies to Limited Liability.
- 9.3. An item is defined as:
 - 9.3.1. The entire contents of a box, parcel, package, carton, or similar container; and
 - 9.3.2. Any other object or thing that is moved, handled or stored by us.

10 Damage to Premises or Property Other Than Goods

- 10.1. Because third party contractors are frequently present at the time of collection or delivery our liability for loss or damage is limited as follows:
 - 10.1.1. If we cause loss or damage to premises or property other than goods for removal as a result of our negligence or breach of contract, our liability shall be limited to making good the damaged area only.
 - 10.1.2. If we cause damage as a result of moving goods under your express instruction, against our advice, and where to move the goods in the manner instructed is likely to cause damage, we shall not be liable.
 - 10.1.3. Due to the nature of moving large and heavy items through confined or restricted spaces, we do not accept liability for any marks, scrapes, dents, or chips to walls, floors, doors, frames, staircases, or other parts of the property. Such cosmetic damage is considered a risk inherent in the removal process.

of loading onto or unloading from the carrying conveyance or container. Loss or damage sustained by accessories and removable items unless lost with the vehicle.

- 11.3.14. For any goods which have a pre-existing defect or are inherently defective.
- 11.4. No employee of ours shall be separately liable to you for any loss, damage, misdelivery, errors or omissions under the terms of this Agreement.
- 11.5. Our liability will cease upon handing over goods from our warehouse or upon completion of delivery (see Clause 12.2 below)

- 13.1. Other than by reason of our negligence or breach of contract, we will not be liable for delays in transit.
- 13.2. If through no fault of ours we are unable to deliver your goods, we will take them into store. The Agreement will then be fulfilled and any additional service(s), including storage and delivery, will be at your expense.

14 Our Right to Hold the Goods (lien)

- 14.1. We shall have a right to withhold and/or ultimately dispose of some or all of the goods until you have paid all our charges and any other payments due under this or any other Agreement. These include any charges that we have paid out on your behalf. While we hold the goods you will be liable to pay all storage charges and other costs incurred by our withholding your goods and these terms and conditions shall continue to apply.

If there is a dispute arising from this agreement which cannot be resolved, subject to the agreement of both parties, either you or we may refer the dispute to an arbitrator appointed by the Chartered Institute of Arbitrators. The cost of any such arbitration will be at the discretion of the arbitrator. This does not prejudice your right to commence court proceedings.

16 Force Majeure & Delays Beyond Our Control

- 16.1. We are not liable for any delay or failure to perform our obligations caused by events beyond our control, including weather, accidents, road closures, vehicle breakdowns, strikes, or delays in property access or key release. We may share your data with, and obtain information about you from, credit reference or fraud prevention agencies (including Police, Counter Terrorism and Customs and Excise) or any trade association that we may be a member of from time to time. If your goods suffer loss or damage during the removal and/or storage contract then we may also pass your details on to our insurers for the purposes of processing any claim.

We will release your data and other account details at any time if we consider in our sole discretion that such release is appropriate to comply with the law, to enforce these terms and conditions or for fraud protection, crime prevention and/or detection purposes or to protect the safety of any person.

Please e-mail or write to us at the address provided on these terms and conditions should you wish to request for any of the above to be actioned.

23 International & European Removals

Where the services involve the transportation of goods outside the United Kingdom, all of these Terms & Conditions shall continue to apply together with the additional provisions contained within this Clause 23. Where any provision within this Clause 23 conflicts with another provision of these Terms & Conditions in relation to an International or European removal, the provisions of this Clause 23 shall take precedence.

23.1 Customs and Import/Export Requirements

We will use reasonable endeavours to provide you with information and assistance regarding the customs and import/export requirements applicable to your move. Customs rules, procedures, documentation requirements, duties, taxes and exemptions may change and may be subject to interpretation by customs authorities or other government bodies.

Any information provided by us is given in good faith based upon the information available to us at the time and should not be regarded as legal, tax or customs advice.

You remain responsible for providing complete, accurate and timely information and documentation required for the transportation and customs clearance of your goods.

23.2 Duties, Taxes and Government Charges

Unless expressly included within our written quotation, our charges do not include customs duties, import VAT, taxes, customs inspections, quarantine charges, examination fees, penalties, government charges or any other sums imposed by customs authorities or government bodies.

Where such charges become payable in connection with your goods, they shall remain your responsibility.

23.3 Customs Delays and Inspections

Customs authorities and other government agencies may inspect, examine, delay, detain, open or otherwise interfere with a consignment.

We will not be responsible for delays or additional costs resulting from customs inspections, border controls, government procedures or other matters outside our reasonable control.

Any reasonable additional costs incurred as a result, including additional labour, waiting time, storage, parking, redelivery or transport costs, may be charged to you.

23.4 Seized, Confiscated or Prohibited Goods

We will not be responsible for goods that are seized, confiscated, detained or removed by customs authorities, police, government agencies or any other official body unless this results directly from our negligence or breach of contract.

You must not include prohibited, restricted or incorrectly declared goods within your consignment and must inform us before collection of any goods which may require a licence, permit, declaration or special customs treatment.

23.5 Transit and Delivery Times

Any collection, departure, transit or delivery dates or times provided for an international removal are estimates unless we have expressly agreed otherwise in writing.

International transit times can be affected by circumstances outside our reasonable control including customs clearance, border delays, traffic, adverse weather, road closures, ferry or Eurotunnel disruption, port congestion, industrial action, vehicle restrictions, changes to crossings and actions of government authorities.

We will use reasonable endeavours to keep you informed of any material changes that we become aware of but cannot guarantee international transit or delivery times.

23.6 Delays Outside Our Control

Other than where caused by our negligence or breach of contract, we will not be liable for loss, costs or expenses resulting from delays to an international removal which arise from circumstances outside our reasonable control.

Where such circumstances require additional services or expenditure to complete the removal, reasonable additional charges may become payable.

23.7 Third Party Transport and Customs Providers

Where reasonably necessary for the performance of an international removal, we may use third party ferry operators, Eurotunnel services, customs agents, transport operators, storage facilities or other service providers.

Where such third parties impose charges or conditions as a result of circumstances outside our reasonable control, those charges may be passed on to you where reasonably incurred in completing your removal.

23.8 Unable to Complete Delivery

If we are unable to deliver your goods through no fault of ours, including where access is unavailable, no authorised person is available to receive the goods, customs clearance has not been completed, or delivery is prevented by circumstances outside our reasonable control, we will contact you wherever reasonably possible to agree an alternative.

Where necessary, we may deliver the goods to an alternative agreed location or place the goods into suitable storage.

Any reasonable additional storage, handling, waiting, transport or redelivery charges arising as a result shall be payable by you.

23.9 Parking, Access and Restrictions

You are responsible for ensuring that suitable legal access and parking arrangements are available at the collection and delivery addresses, including obtaining any necessary parking suspensions, permits, permissions or access arrangements.

You must inform us in advance of any known restrictions including narrow roads, weight restrictions, height restrictions, low bridges, pedestrian zones, restricted loading areas, private roads or locations which cannot reasonably be accessed by the vehicle intended for your move.

Where suitable access is unavailable or different vehicles, additional labour, shuttle vehicles, additional carrying distances, parking charges or other arrangements become necessary, reasonable additional charges may apply.

23.10 Changes in Transport Costs

International quotations are based upon the information and costs reasonably known to us when the quotation is prepared.

Where costs outside our reasonable control materially change before or during the removal, including ferry or Eurotunnel charges, tolls, fuel costs,

customs charges, taxes, government charges or currency fluctuations, we reserve the right to make a reasonable adjustment to the price where those additional costs are necessarily incurred in providing the service.

23.11 Changes to the Goods or Volume

Our quotation is based upon the goods, volume, access and other information supplied to us before the quotation is accepted.

Where additional goods are presented for removal, the volume is materially greater than disclosed, access differs materially from the information supplied, or additional packing, labour, vehicle capacity or services are required, we may make a reasonable additional charge.

Where the additional volume cannot safely or legally be carried using the vehicle or vehicles allocated to the move, we may arrange additional transportation at your reasonable expense.

23.12 Groupage and Shared Loads

Where you have booked a groupage, part load or shared load service, your goods may travel with the goods of other customers.

Collection and delivery dates for groupage services may be provided as a window rather than a fixed date and may depend upon vehicle routing, other collections and deliveries, customs clearance and operational requirements.

Unless specifically agreed otherwise in writing, groupage delivery dates and transit times are estimates and are not guaranteed.

23.13 Customer Documentation and Cooperation

You must provide all information, signatures, identification, inventories, proof of residence, customs forms and other documentation reasonably required to complete your international removal.

You must provide these within any timescale reasonably requested by us.

We will not be responsible for delays or additional costs resulting from incomplete, inaccurate or late documentation supplied by you. Any reasonable additional costs incurred as a result may be charged to you.

23.14 International Insurance and Liability

Our liability for loss of or damage to your goods during an international removal remains subject to the liability provisions contained elsewhere within these Terms & Conditions.

You should ensure that the level of liability or insurance applicable to your booking is appropriate for the full value and nature of the goods being transported and request additional cover before the removal where required.

23.15 International Deposits and Payment

For International and European removals, a 50% deposit is required to secure your booking and allocate the necessary vehicles, crew, customs arrangements and transport capacity.

The remaining balance must be received by us in cleared funds no later than 72 hours before the scheduled collection or commencement of the removal, unless otherwise agreed by us in writing.

The payment provisions contained within this Clause 23.15 shall apply to International and European removals in place of any conflicting payment provisions contained elsewhere within these Terms & Conditions.
